(c) No proposal is under consideration to stop the construction of tiie road.

(d) Construction of elevated road also involves removal of structures.

Utilization of BRGF

*306. SHRIMATI SUPRIYA SULE:
SHRIMATI SHOBHANA BHARTIA:

Will the Minister of PANCHAYATI RAJ be pleased to state:

(a) whether 250 districts of the country have been short listed for the Backward Regions Grant Fund (BRGF) programme for receiving funds to reduce regional imbalances and eradicate poverty and backwardness and against allocation for 2007-08 of around of Rs. 4,670 crore, only Rs. 700 crore were disbursed;

(b) if so, the main reasons for not utilizing the funds;

(c) whether Government has changed the guidelines so that the funds are utilized fully and in time; and

(d) the latest position of utilizing the funds during the remaining period of the financial year?

THE MINISTER OF PANCHAYATI RAJ (SHRl MANI SHANKAR AIYAR): (a) The Backward Regions Grant Fund (BRGF) Programmes includes three components namely, (i) releases to those districts which have not received their total entitlement under Rashtriya Sam Vikas Yojana (RSVY); (ii) funds for capacity building of Panchayati Raj institutions and (iii) untied development grant. The total amount available for disbursement under Backward Regions Grant Fund Programme during 2007-08 is Rs. 4760 crore. Of this amount, Rs. 250 crore is reserved for capacity building of Panchayati Raj Institutions. The remainder is the untied development grant, which also funds the erstwhile RSVY schemes. An amount of Rs. 1286.46 crore has been released so far during 2007-08.

(b) The main constraints in the drawal of funds under Backward Regions Grant Fund (BRGF) have been the backlog of releases to be made under the erstwhile Rashtriya Sam Vikas Yojana and the necessary time taken in the preparation of district plans from the grass roots level upwards through Panchayats, and Municipalthes and consolidated by the District Planning Committees, on which the BRGF proposals are to be based.

(c) It has been decided that the districts which have not yet drawn their total allocation of Rs. 45 crore under the RSVY, will also be eligible to claim development grant concurrently under BRGF provided they have prepared participative district plan duly integrated and consolidated by the District Planning Committees (DPCs) constituted in accordance with Article 243 ZD of the Constitution.

(d) A National Workshop of Zila Parishad Presidents, Chief Executive Officers of Zila Panchayats and officials from the State Governments was held in Delhi on 13-14th October, 2007 during which steps to be taken to expedite the drawal of funds under the Backward Regions Grant Fund Programme (BRGF) were discussed with the participants. The State High Powered Committees in five States namely, Rajasthan, Orissa, Karnataka, Chhattisgarh, Andhra Pradesh and Madhya Pradesh have approved a number of district plans in the second jrtnight of November, 2007, thus expediting the pace of releases under the programme.

The value of the proposals cleared by the State High Powered Comlttees and due to be processed for release exceeds Rs. 1000 crore. For many of the balance districts, proposals from the States are expected to be received in December, 2007. As of now, it is the Ministry's expectation that all, or at any ratio, the bulk of the budget provision of BRGF will be released.

Regional Passport Office in Mangalore

*307. DR. VIJAY MALLYA: Will the Minister of EXTERNAL AFFAIRS be pleased **to** state:

(a) whether Government proposes to open a Regional Passport Office in Mangalore in Karnataka;
